# Economy & Reliability

## Value

Purpose-built for the job you do, *EuroTaxi™* provides excellent earning power at an unbeatable price. With two fantastic models to choose from, each tailor made for the taxi trade, you're sure to be impressed. *EuroTaxi™* provides all you need in a modern day cab combined with truly great economy.

## Money Saver

Not only is *EuroTaxi™* our lowest costing full-spec hackney, it's also been designed and manufactured jointly by Peugeot and Cab Direct to save you money. Peugeot's latest generation of diesel engine offers superb reliability as well as being a staggering 20% more efficient. This means you can work longer – and earn more – on one tank of fuel than with other purpose-built taxis.

# Versatility

## Driveability

Excellent road-holding and modern suspension guarantee passengers a smooth and comfortable ride every fare. The raised driver position plus large windscreen and side windows create exceptional visibility, useful in busy traffic. Full-size, wide angle mirrors will also make your life as easy as possible. Plus with ABS, Electronic Braking Assistance (EBA) and driver's airbag, *EuroTaxi™* ensures you're always in safe hands.

## Full Hackney Specification

Motion activated door locking, full partition screen and a two way intercom mean the *EuroTaxi™* comes with all the features required by today's professional driver. With full hackney specification and space for driver and up to seven seated passengers you're sure to be able to cater for every fare.

# Model Choice

## L & LX

*EuroTaxi™* comes with a choice of two models. The L model is our best-ever priced hackney cab whilst the LX benefits from the convenience of the EasyGlide™ under-floor ramp - even lighter, even

quicker and even easier to use.

## Choice

You can also choose either our standard wheelbase or opt for the long version for even more luggage space. Both the L and the LX model come with Peugeot's economical 98 PS diesel engine, delivering good power and excellent fuel efficiency.

# Technical Specification

Both L and LX models are available in the longer *Plus* version for even more luggage space.

Engine	
Emission standard	Euro 5
