Volkswagen Kudos™

Available exclusively from Cab Direct, the Volkswagen Kudos™ brings a taste of luxury to the taxi trade with its spacious and stylish interior.

Specially adapted from the reliable Volkswagen Caddy Maxi Life, Kudos™ combines wheelchair access, superb versatility and masses of space to create the perfect vehicle for the modern day driver. Whether it's nights out, shoppers, airports, ranks or regular contracts, Kudos™ allows you to cater for every type of hire.

Comfort & Driveability

Comfort

Kudos™ makes every journey a pleasure. The vehicle's long length means there's plenty of legroom inside. Plus standard features such as climatic air conditioning, radio/MP3 compatible CD player with steering-mounted audio controls, electric front windows and innovative storage solutions combine to guarantee you and your passengers a relaxing trip, every fare.

Driveability

Volkswagen's superb 2.0 litre TDi diesel engine delivers superb performance combined with impressive fuel savings and low emissions. It also drives like a dream. Reliable engineering and extensive class leading safety features assure you of a long and trouble-free working life. Plus, with the choice of manual or DSG automatic transmission, Kudos™ makes the perfect taxi partner, whatever your taste.

*VCA official fuel consumption figure, combined cycle (manual).

Accessibility & Space

Unique FlatFold™ wheelchair ramp

Bags of Space

With numerous handy storage areas, *Kudos™* makes superb use of space. Particularly useful is the luggage carrying capacity, which is simply huge thanks to *Kudos'* unique rear access ramp which folds flat to the vehicle floor when not in use, allowing you to make full use of the cavernous boot area. Plus, due to the vehicle length, there's no need to fold the rear seats down when transporting a wheelchair passenger. This means less hassle for you and more room for luggage or additional passengers if required.

Wheelchair Access

When required, *Kudos'* lightweight FlatFold™ rear access ramp simply lifts from the floor where it's stowed when not in use, making loading wheelchair passengers quick and easy. Securing the wheelchair passenger couldn't be simpler either. Providing room for driver, wheelchair passenger and up to four seated passengers, *Kudos™* is the ideal choice for today's busy driver.
